SPONSORSHIP BROCHURE

CALIFORNIA
BANKERS
ASSOCIATION

Hi everyone,

I hope you've all had a successful and fulfilling year! For those I haven't met yet, my name is Gina Titus, and I have the pleasure of serving as AVP of Conferences for the California Bankers Association. I oversee the planning and execution of our events throughout the year and have the joy of working closely with our sponsors, speakers, and members to bring these programs to life.

I want to thank both our long-time supporters and those who are new to the CBA community. Your partnership plays such a big role in the success of our programs, and we're grateful for the energy, ideas, and expertise you bring to every event.

We have an exciting year ahead with plenty of opportunities to get involved in 2026 through sponsorship and engagement across our conferences and mixers. We're also thrilled to share that in 2026, all CBA member banks will receive one complimentary registration to each of our five in-person conferences—Bank Presidents Seminar, Annual Conference & Directors Forum, Women in Banking, Lenders & Chief Credit Officers, and the Risk & Compliance Conference. We're very excited about this new benefit and the potential it has to drive attendance and create even more valuable connections for our sponsors.

CBA is excited for the opportunity to collaborate with you in 2026. Please don't hesitate to reach out with any questions, ideas, or ways we can help you make the most of your sponsorship experience.

Warm regards,

Gina Titus

AVP, Conferences

California Bankers Association is one of the largest and most dynamic state banking trade associations in the country. Since 1891, we have been here to take on challenges and help our banks prosper.

Bringing members together. Making our banks better.

Navigating today's challenges in our industry can be difficult. We are surrounded by change. Change in consumer habits, change in the competitive and regulatory environment, change in technology and trends. Today, banks and bankers need to be more ready and nimble than ever.

Standing up for our interests in Sacramento and Washington, DC. Sitting at the table with each other to learn, engage the day's toughest issues, and exchange ideas. Preparing the executives of today and tomorrow. These are the things that can only be tackled when all of us do our part and come together for a common purpose.

PARTNERING FOR A STRONGER BANKING COMMUNITY

Each year, the California Bankers Association (CBA) brings together leaders, innovators, and partners from across the financial industry to learn, connect, and grow. Whether you're looking to expand your brand presence, develop new relationships, or support CBA's mission of advancing California's banking industry, our sponsorship opportunities offer flexible ways to get involved. We look forward to partnering with you for a year of connection, collaboration, and shared success.

Have a creative sponsorship idea you'd like to explore? We're all ears — we love fresh ideas and new approaches!

Sponsorship benefits vary based on program size and attendant offering. All information in this brochure, including anticipated attendance figures, is intended for planning purposes only and is not guaranteed.

THE CBA WAY

Standard registration is reserved for bankers, but we invite those who work directly with the financial services industry to participate in our programs through sponsorship. Each conference attracts a unique audience and offers its own style of programming, making every event a special opportunity to connect, share solutions, and showcase your expertise.

A few things to keep in mind:

- ▶ **Each sponsorship level includes a set number of complimentary registrations.** Additional representatives can be added at the designated representative rate, which varies by conference.
- ▶ **All sponsors gain access to the full program,** including meals, sessions, and receptions. The only exception is banker-and fintech-member-only peer networking sessions.
- ▶ **You may choose a visibility item of your choice from the options available within your sponsorship level.** Options range from tote bag inserts and lanyards to golf hole sponsorships, meals, and more!
- ▶ **We welcome and encourage ancillary events** that complement the conference experience, as long as they are scheduled outside of official program hours.
- ▶ On occasion, we offer add-on activities (e.g., our Annual Golf Tournament). Registration for these events is not included with standard sponsorship packages.

Additional Benefits:

- ▶ Direct access to bank decision-makers
- ▶ Relationship-building with industry leaders
- ▶ Brand visibility and recognition
- ▶ Opportunities to showcase expertise
- ▶ Meaningful ROI and lead generation
- ▶ Partnership with a trusted association
- ▶ Support for California's banking community
